den Ansagenden bitte ankreuzen

**ZR:**  ja  nein **Ztgl.:**  ja  nein

**Grund:**

Do not label gray box

**The numbers assigned to the respective terms on the overlapping breeding chart are used exclusively for the computer-aided recording of the relevant statement. So they do not include grading / rating or points**

On the breeding chart enter only the numbers for the term, if this differs from the standard (4). It is also possible to enter intermediate values not listed here if the given levels of judgment are not fully correct.
